FORWARD

In memory of Everett Milton Allbee and Katie Cranage Allbee

We, the Allbee Family, would like to preserve the Memories of our Parents and Relatives from this Generation of 1970, back to Everett Allbee, the first, and Katie Cranage Allbee.

Everett Allbee and Katie Cranage Allbee were married in Rockerville, Wisconsin, on September 11, 1882. They farmed in Grant County, Wisconsin until March when they moved to Edmonds County, in South Dakota, where they farmed until the death of Everett in July of 1933.

As we put this Picture History Album together, we have had many pleasant memories reminiscing with the pictures sent to us by the interested families of themselves and their families.

All of the changes that have taken place in each generation, have brought back many happy thoughts of bygone days, and again there were moments of sadness, when we would come across a family picture where one of their family, very near and dear to them, had been called to meet his Maker.

There are three of the original ten children of Everett and Katie Allbee living.

There are three hundred and sixty-eight living descendants on this Family Tree, at this printing. A few of these are not pictured as pictures were not available at this time.

Time goes on and families move away, many all over the United States and some in foreign countries but reflections and memories still bring out each individual which has made up this Album that we shall cherish and hold dear in our lives and hope it will continue to do the same for many more generations to come.
